A photograph of an outdoor lounge area at night. In the background, a large stone fireplace with a fire burning inside is set against a wall of white horizontal slats. The ceiling is covered with a white canopy and strung with numerous warm white string lights. In the foreground and middle ground, there are several white rectangular tables and matching white cube ottomans. Some tables are decorated with colorful floral centerpieces and small lit candles. To the right, a wooden barrel is visible. The overall atmosphere is cozy and elegant.
