A romantic wedding scene featuring a bride and groom in a white dress and black suit, respectively, sharing a kiss under a rustic wooden arch. The arch is elegantly decorated with large, cascading bouquets of peach and white roses and long, flowing white ribbons. The setting is a lush green lawn with a scenic backdrop of rolling hills, a body of water, and distant mountains under a bright, cloudy sky. The overall mood is serene and picturesque.

FAIRY LIGHT FROM
CHANDELIER
QUOTE ON REQUEST

The image shows a rustic dining room with a high ceiling featuring exposed wooden beams and strings of warm-toned festoon lights. Several round tables are covered with white cloths and set with white plates, glassware, and small floral centerpieces. The chairs are made of light-colored wood with a dark X-shaped backrest. Large windows and a gothic-style arched window in the background provide a view of the outdoors. The floor is made of large, irregular stone tiles.
